TECH EXPERIENCE

Sr. Customer Success Engineer – Tealium – San Diego, CA

2019 - Present

- Effectively troubleshoot and analyze complex issues related to JavaScript Tags, APIs, Data Discrepancies and Tealium Mobile SDKs, identify possible solutions, and present recommendations & best practices.
- Mentor newer CSEs on how to troubleshoot within the Tealium ecosystem, along with providing advice on internal processes and procedures.
- Curate and develop educational/technical documentation for internal and external consumption.
- Define, implement and document team initiatives, policies, and procedures based off department and company strategy.

Marketing Manager – *Bukaty Companies* – Leawood, KS**2017 - 2019**

- Integrated our internal client database with the HubSpot API. Acted as main contact between developers and several company divisions by interpreting the technical details and project requirements.
- Worked to integrate our proprietary technology, EnrollSource, with the Salesforce platform of Blue Cross/Blue Shield of Kansas City. Served as a primary contact to oversee project completion.
- Maintained five corporate websites using Drupal and Webflow. Worked with the web developer to implement continuous improvements to functionality and design.

NON-TECH EXPERIENCE**Government Affairs Director** – *ABC Heart of America* – Kansas City, MO**2015 - 2017****Operations Manager** – *United Way of the Capital Region* – Harrisburg, PA**2013 - 2014****Legislative Aide** – *Virginia House of Delegates* – Richmond, VA**2011 - 2013****Transcriptionist** – *Federal News Service* – Washington, D.C.**2010 - 2011****Transcriptions Manager** – *CBS Paramount* – Los Angeles, CA**2008 - 2009**

OTHER EXPERIENCE**Production Assistant | Transcriber** – Los Angeles, CA – <https://imdb.to/2NtT8l2>**2009 - 2014**

Freelanced at several post-production facilities and on several short- and feature-length films. Assisted directors and producers by wrangling talent, scouting locations, and breaking down/setting up film sets.

EDUCATION**University of Kansas**, Overland Park, KS – Full Stack Web Development Boot Camp**Iowa State University**, Ames, IA – Bachelor of Science, Psychology; Minor, Sociology
