SUMMARY

Diligent, detail-oriented software engineer with a marketing and communications background. Proficient in front-end development. Learning the MERN stack. Developer of several web apps. Results focused. Passionate about learning new programming languages and technologies to help further my career.

TECHNICAL SKILLS

HTML | CSS | Bootstrap | JavaScript | jQuery | Knockout.js | mySQL | MERN Stack

RECENT PROJECTS

whatToDoApp | github.com/mjbenefiel/whatToDoApp | mjbenefiel.github.io/whatToDoApp/

Project Lead

FourSquare, simplified

- Voted "best use of technology" by peers at KU Coding Boot Camp in 2018
- Utilizes HTML, Bootstrap, jQuery, Knockout.js, Firebase, FourSquare and Google Maps APIs

Word Guess Node App | https://github.com/mjbenefiel/WordGuessCLI

Sole Developer

An easy-to-use word guess CLI Node app that utilizes constructor functions

Utilizes Node.js and JavaScript

Giphy Search Engine | github.com/mjbenefiel/GifTastic | mjbenefiel.github.io/GifTastic/

Sole Developer

Searching Giphy has never been easier – familiar look and feel, set to a "darker" theme

Utilizes HTML, Bootstrap and jQuery

TECH EXPERIENCE

Marketing Manager – Bukaty Companies – Leawood, KS

2017 - Present

- Deployed two commercial websites, <u>lifetransitions.co</u> and <u>enroll-source.com</u>. Served as primary liaison between
 developers and executive management by communicating technical and design details between the two parties.
- Integrated our internal client database with the HubSpot API. Acted as main contact between developers and several company divisions by interpreting the technical details and project requirements.
- Worked to integrate our proprietary technology, EnrollSource, with the SalesForce platform of Blue Cross/Blue Shield of Kansas City. Served as a primary contact to oversee project completion.
- Maintained five corporate websites using Drupal and Webflow. Worked with the web developer to implement continuous improvements to functionality and design.

NON-TECH EXPERIENCE

Government Affairs Director – ABC Heart of America – Kansas City, MO	2015 - 2017
Operations Manager – United Way of the Capital Region – Harrisburg, PA	2013 - 2014
Legislative Aide – Virginia House of Delegates – Richmond, VA	2011 - 2013
<u>Transcriptionist</u> – Federal News Service – Washington, D.C.	2010 - 2011
<u>Transcriptions Manager</u> – CBS Paramount – Los Angeles, CA	2008 - 2009

OTHER EXPERIENCE

Production Assistant | Transcriber – Los Angeles, CA – https://imdb.to/2NtT812

2009 - 2014

Freelanced at several post-production facilities and on several short- and feature-length films. Assisted directors and producers by wrangling talent, scouting locations, and breaking down/setting up film sets.

EDUCATION

University of Kansas, Overland Park, KS – Full Stack Web Development Boot Camp **lowa State University**, Ames, IA – Bachelor of Science, Psychology; Minor, Sociology
